

Introduction to Learning Disability

3 hour session. Face to Face or Online

Our highly skilled team have a wealth of knowledge in the area of learning disability, and they will offer insights to how this can translate to supportive practice for the children in your setting.

The course aim is to provide early years practitioners with an overview of learning disability.

This course is joint delivery from an early years professional and a parent co-facilitator which gives a unique perspective to the content.

**BY PARTICIPATING IN
THIS COURSE, YOU WILL
GAIN KNOWLEDGE IN THE
FOLLOWING AREAS:**

- Overview of Learning disability.
- Definition of a Learning Disability and Complex needs
- Understanding Terminology
- Navigating the system: Understanding the range of services that may be available and how they can be accessed
- The importance of working in partnership with parents
- A family's journey
- Dealing with a diagnosis
- Challenges and barriers
- Access to services

**Great training. Thank you for the
opportunity. Excellent learning and
awareness.**

Good presentation, friendly open atmosphere, good to have the parent's perspective.
